

REALIZE THE POWER OF RELAXATION...

The Serenity Suite™

Available for the first time, safe, simple and effective relaxation that puts hours on your day and years on your life. Create your own personal oasis of soothing tranquility. Experience the unique floating sensation of the Z-Lounge™ while you enjoy a full-body music massage. Coupled with high definition video, surround sound audio, and computerized scent-scaping, "sensory enrichment" is the new way to manage your stress in our time starved, overworked world.

Now you can finally do something to improve and protect your health on a daily basis. Unwind at home every day, like never before.

The World's First Sensory Enrichment Environment

The Serenity Suite™

- A safe, simple, and effective solution for relieving stress, reducing sleep deprivation, and improving cognitive function.
- Unparalleled relaxation combining zero gravity motion, video, audio, vibro-massage and scent in a personal sanctuary featuring the Z-Lounge™.
